Children of the Heavenly Father,

Things are continuously changing in regards to our nation's response to the Coronavirus. Due to the severity of this situation, it has been authorized that all gatherings of more than 10 people be cancelled.

Our ministry here is centered in Word and Sacrament, especially God's promise of forgiveness and life eternal by the death and resurrection of Jesus. This will always be our foundation as we equip generations for life in Christ. We will continue to preach this, the greatest news ever proclaimed.

Under these unusual circumstances, regular gatherings of worship are suspended.

To still provide you with the Word of God, we will be doing so via online streaming and Facebook content.

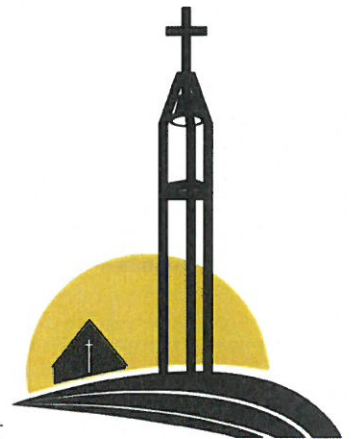

We will still be providing the Lord's Supper.

If you wish to commune during these times, please contact either Pastor Welter at (920) 241-3166 or Pastor Kyle at (586) 651-9721 to set up a time. They will run in 15 minute blocks.

Times are available Sunday-Thursday from 9am - Noon.

The staff at Zion continues to pray for all of our members. While times are difficult, we always remember the Easter joy that we have in proclaiming that our Redeemer lives!

We will continue to post updates to our website and Facebook page.
